*Notes:

- Where no pitcher name was given on the score sheets, pitching stats for that team were lumped into an "Unknown" row.
- Green highlighted bold text represents an honorable max or min stat for the pitcher, and are based on a minimum of 3 innings pitched. Sac, 2B and 3B stats were ignored since these results are rare in the game.
- Tan highlighted bold text represents a dubious max or min stat for the pitcher, and no minimum innings pitched applies.
